Valued Royal Industries, Inc. Distributor:

Proposition 65, also called the Safe Drinking Water and Toxic Enforcement Act, was enacted by the State of California in 1986. The act requires "clear and reasonable" warnings about potential exposures to certain chemicals that California has determined cause cancer, birth defects or other reproductive harm.

Under the current rules, the warnings had to be shown on the product and/or the product's packaging. However, Proposition 65 has recently been amended to also include "pre-purchase" warning requirements. The amendments take effect on August 30, 2018. In addition to on-product warnings, catalogs and webpages must now carry the same warnings so that consumers in California can see the warnings prior to purchase.

Because of this requirement, we need to have all distributors who sell our products acknowledge the receipt and understanding of this information. Therefore, we are asking that you complete the form at your earliest convenience. Royal Industries, Inc. requires your confirmation electronically, or in writing, of receipt of this notice. Fill out the appropriate fields for acknowledgement. If Royal Industries, Inc. does not receive confirmation, we will be unable to ship products to you.

As a recognized authorized Royal Industries, Inc. distributor, this correspondence provides notice pursuant to California Health and Safety Code section 25249.5 et seq. ("Prop 65") and one of its enabling regulations at 27 CCR § 25600.2(b) (effective 30 August 2018). California law requires any company to declare if their products contain certain substances, as so listed on https://oehha.ca.gov/proposition-65/proposition-65-list and those products are sold in California.

The products indicated in the file(s) hyperlinked from this page, with a Royal Industries, Inc. SKU number, and description, require a Prop 65 warning for any sales into California. Affected Products Link: Royal Industries, Inc. Products

Royal Industries, Inc. product's will provide the necessary warning on the product labels, on its website, and in all future printed publications. Distributors are expected to convey identical warning language in their printed literature as well.

For Royal Industries, Inc. distributors who sell online, the warning language for products sold must be shown to the online consumer prior to completing the purchase, and should also be provided on the product display page with a clearly marked hyperlink using a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline and the word "WARNING" in capital letters and bold print, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase, e.g.:

WARNING: This product can expose you to chemicals including [e.g. Bisphenol A (BPA)], which is known to the State of California to cause birth defects or other reproductive harm. For more information go to: www.P65Warnings.ca.gov.

As a condition of distributing Royal Industries, Inc. products to retail sellers:

- The distributor acknowledges that it is an authorized agent, for purpose of complying with Prop 65, of any retail seller to whom it distributes Royal Industries, Inc. products. Under the Prop 65 regulations, this means that the distributor is authorized by the retailer seller(s) to receive Prop 65 notices from manufacturers.
The distributor agrees to provide Royal Industries, Inc. Prop 65 notices to any retail seller that is allowed to sell Royal Industries, Inc. products.
The distributor agrees to indemnify and hold harmless Royal Industries, Inc. for any liability if the distributor fails to provide the Prop 65 notice (which is provided by this notice) to an authorized retail seller, and distributor also indemnifies Royal Industries, Inc. if the retail seller fails to provide the notice.

Sincerely,
Royal Industries, Inc.
